

# Frog Puppets

Make your own set of frog puppets and put on a puppet show!

1. Color in the frogs.
2. Cut out the frogs.
3. Glue or tape each the frogs to the end of a popsicle stick.
4. Put on a show with your new puppets!

**TIP:** If you don't have popsicle sticks on hand for this craft, strips of cardboard or paper straws would also work!
